

PBIS Implementation Checklist for Schools *(Revised)*

This is a quick checklist to assess the degree of implementation for your school. It gives teams a sense of what *has-been-done* and what *needs-to-be-done* in the PBIS implementation process. The Coach completes this form at least twice a year. Score each item on a scale from 0 (No), 1 (Somewhat), to 2 (Yes). Go to the PBSES website and enter each line into the database. The site generates a useful report for your team to engage in action planning and problem solving barriers to implementation.
