SYSTEMS FOUNDATIONS

NDMTSS Overview and Implementation: A Framework for Success

In-person: Sept. 15* - Jamestown (* 1-day exploration or Day 1 of NDMTSS Foundations 1A)

This exploration session invites educators, administrators, and school teams to become familiar with the ND Multi-Tier System of Supports (NDMTSS) and how it provides the foundation for continuous improvement in schools.

0

NDMTSS Foundations: Enhancing the Conditions for Success in Schools

In-person: Sept. 15*, Oct. 27-28, Nov. 19 - Jamestown

OR Sept. 15*, March 9-10, April 13 - Jamestown

This series, designed for school leadership teams, explores NDMTSS and how to apply its principles to create lasting change.

1A

1B

NDMTSS: Positive Behavior Intervention Supports (PBIS): Developing Schoolwide Behavior Expectations

In-person: Oct. 22-23, Jan. 27-28, April TBD - Jamestown

This immersive five-day PBIS series is designed to empower educators, administrators, and school teams to collaboratively develop, implement, and sustain schoolwide behavior expectations.

MULTI-TIERED INSTRUCTION & INTERVENTION

NDMTSS Strengthening the Core: Leveling Up Tier 1

In-person: Dec. 8-9, Jan. 26, Feb. 18 - Jamestown

When Tier 1 instruction is strong, everything else gets better. Students thrive, teachers feel empowered, and schools build a foundation for long-term success. This series will help you move from good intentions to great instruction - one high-leverage practice at a time.

2A

2B

NDMTSS: PBIS Deep Dive - Coaching, Refining, & Tier 2 Supports

In-person: Oct. 24, Jan. 23, March 25 - Jamestown

This series is designed for school teams who are ready to refine their systems, strengthen coaching practices, and expand supports to meet the needs of students requiring targeted interventions.

NDMTSS Digging Deeper into Targeted Supports: Leveling Up Tiers 2 & 3

In-person: Dec. 10, Feb. 19-20 - Jamestown

This series focuses on data use—learning to interpret early warning indicators, analyze diagnostic and progress monitoring data, and lead collaborative meetings that turn numbers into next steps.
