

NDMTSS OVERVIEW AND IMPLEMENTATION: UNDERSTANDING THE FRAMEWORK FOR SYSTEMS IMPROVEMENT

\$80/Participant

REGISTER HERE - 1-DAY EXPLORATION/REFRESHER

*THIS SESSION ALSO SERVES AS DAY 1 OF THE NDMTSS FOUNDATION SERIES (REGISTER W/MOU)

Whether you are new to MTSS, on-boarding new staff, or need a refresher, this exploration session invites educators, administrators, and school teams to become familiar with the North Dakota Multi-Tier System of Supports (NDMTSS) and how it provides the foundation for continuous improvement in schools. Learn how a strong MTSS can enhance student learning, elevate instructional quality, align district initiatives, support educators, and promote collective leadership. Q&A will provide participants an opportunity to learn about additional NDMTSS resources and training opportunities.

OBJECTIVES:

- ▶ Understand NDMTSS as a framework for continuous school improvement.
- ▶ Recognize how alignment of school practices with the NDMTSS essential components creates efficient systems.
- ▶ Learn how the collaborative problem-solving model drives continuous improvement and empowers leadership teams at all levels of the system.
- ▶ Cultivate a mindset focused on data-driven decision making and evidence-based practices.

Training Facilitator:
Shannon Harken, M.A.Ed.

1 Full-Day | In-Person | Jamestown
