Ready To Turn Your MTSS Vision Into Reality?

The **NDMTSS Foundations** series is designed for school leadership teams who are ready to lead with purpose and enhance the conditions that support greater educator and student success in school. Explore the North Dakota Multi-Tier System of Supports (NDMTSS) and learn how to apply its principles to create lasting change.

YOU'LL LEARN TO:

- ▶ Equip educators with an understanding of NDMTSS and how to align school practices with a proven framework that supports every learner.
- ▶ Outline what it takes to build a strong, collaborative leadership team that drives implementation and fosters a culture of shared leadership.
- ▶ Use assessments that inform instruction, guide interventions and support student growth.

WALK AWAY WITH:

- ▶ A shared vision and actionable plan to ensure clarity, build capacity, and create consistency to support educators and students long-term.
- ▶ Tools and protocols to support MTSS implementation and focused data conversations that result in actionable steps and improved outcomes.
- ▶ Confidence to lead systems change, address challenges systematically, and refine practices for continuous improvement.

Training Facilitator:

Shannon Harken, M.A.Ed.
