Prerequisite: PBIS Developing Schoolwide Behavior Expectations

2B

From foundation to finesse - elevate your PBIS impact! This three-day training is designed for school teams who have completed initial PBIS implementation and are ready to refine their systems, strengthen coaching practices, and expand supports to meet the needs of students requiring targeted interventions. Participants will explore how to sustain momentum, coach staff effectively, and begin building Tier 2 systems that align with their schoolwide expectations.

YOU'LL LEARN TO:

- ▶ Strengthen coaching capacity to support consistent and high-fidelity implementation.
- ▶ Refine and enhance schoolwide behavior expectations and systems based on data and feedback.
- ▶ Introduce Tier 2 systems to support students with emerging or moderate behavioral needs.
- ▶ Promote a culture of continuous improvement and inclusive support.

OBJECTIVES:

- ▶ Learn coaching strategies to support staff in teaching and reinforcing expectations. Use observation tools and feedback protocols to improve practice.
- ▶ Analyze behavior data to identify gaps and successes. Adjust expectations, teaching plans, and reinforcement systems for greater impact and equity.
- ▶ Understand the Tiered PBIS framework. Design Tier 2 interventions such as Check-In/Check-Out, social skills groups, and targeted reinforcement. Align Tier 2 with schoolwide systems.
