North Dakota's Multi-Tier System of Supports (NDMTSS) is a framework to provide all students with the best opportunities to succeed *academically, socially, emotionally* and *behaviorally* in school. NDMTSS focuses on providing high-quality instruction and interventions matched to student need, monitoring progress frequently to make decisions about changes in instruction or goals. Data is used to allocate resources to improve student learning and support staff implementation of effective practices.

Objectives:

From nationally recognized keynote presenters to breakout sessions where participants will hear and learn from educators across the state, the 2026 NDMTSS State Conference is designed to help all schools and districts Align for Impact: Connecting People, Practices, and Purposes to strengthen and improve their MTSS implementation and overall school improvement process. Throughout the conference, participants will reflect upon and create an action plan utilizing the information they learn.
