NDMTSS North Dakota Multi-Tier System of Supports

FROM FOUNDATION TO FINESSE—ELEVATE YOUR PBIS IMPACT.

This multi-day, virtual professional development is designed for school teams that have completed initial PBIS implementation and are ready to refine their systems. During this webinar series, emphasis is placed on leveraging a strong Tier 1 foundation to implement Tier 2 interventions that provide focused, small-group support for at-risk students and help prevent the need for more intensive services. Participants will collaborate to share strategies and problem-solve challenges.
